

The Schizo Chef

Eat the World! Travel the World!

ABOUT THE SCHIZO CHEF

The Schizo Chef website and social media channels is a place where food, travel and culture intersect. Entertaining, wholesome natural food products, global recipes, travel tips and information presented to our global engaged audience.

Our family friendly blog shows how to utilize recipes to not only teach a life skill, but also demonstrates how recipes are vehicles for learning culture & history and inspire travel.

The Schizo Chef

Eat the World! Travel the World!

ABOUT CHEF MIREILLE

I am a NYC based classically trained chef with a diverse family background. I have traveled the world and am passionate about introducing global flavors, cultures and traditions to my audience.

I share travel tips and information, culinary history and recipes as well as blogging tips.

As a culinary teacher, I not only present recipes but provide the background for parents and teachers who want to use my content as a teaching tool.
